## Jungfrauoch

A trip to the highest train station in Europe, at 3,454 meters above sea level, is the high point of any Swiss visit. From the Plateau and Sphinx viewing platforms at 3,571 meters above sea level, enjoy an unforgettable view of the Aletsch Glacier (a UNESCO World Heritage Site) and the Swiss Alps. Inside the complex and 30 meters beneath the surface of the glacier, visitors can enjoy the ice palace with ice sculptures, as well as the Alpine Sensation experience tour covering the hundred-year history of the Jungfrau Railway.
